# BLASTBALL RULES

## WHAT IS BLAST BALL??

1. Each team will consist of 5-8 players
2. There are no formal field positions and there is only one base. All the players will be placed on the infield but they aren't actually playing any certain position.
3. Each player hits the ball past the fair distance marker and runs to the Blast Base which will honk when stepped on. When the ball is stopped by the fielder, he/she must hold the ball above his/her head and yell **blast**. If the fielder should catch the ball in the air the batter is out. If the batter "Honks" the base before the fielder yells "Blast", then the batter scores a run, if not than the batter is out.
4. Outs will not be kept, each player on the batting team will hit **once** and then the teams will switch sides, we will play two innings or until time limit.
5. Proper equipment for this program will be either shorts or pants, t-shirt and tennis shoes or hard rubber cleats. **Gloves are not required** but if you have a glove you may wear it.
6. All players not batting must stay on the side of the field in the dugout.
7. In case of a serious injury, no player is to be moved without parental permission, except by ambulance attendants. First aid kits will be available at the fields.
8. If the batter throws the bat—the batter is OUT! Please make sure that the players aren't throwing their bats, and if they do please explain to them that they can't throw the bat or they will be called out.
9. The distance of the blast base will be 35 feet from the tee. The line marker for a fair ball will be 15 feet directly in front of the tee.
10. Time limit—35 minutes, 10 minute practices with the team using tennis balls at the beginning of your scheduled time and last 25 minutes to play the game.
11. Each team will shake hands after the game to show good sportsmanship.
12. Make sure every kid on the team is having fun!!!!
