

## **Notice of Good Neighbor Meeting**

Date and Time of Meeting: April 29, 2010 at 6:00-7:30 PM

Location: North Liberty City Council Chambers

The City of North Liberty may soon consider a rezoning and subdivision plat for property located at 455 Cameron Way, Lot 6, Liberty Medical and Commerce Subdivision, and is holding an open house-style meeting with the petitioner to explain the proposal to interested parties. The rezoning being considered would change the current commercial-only zoning district to a commercial district that allows residences above the ground-floor commercial. A subdivision plat is also being considered that would divide the property into 2 lots.

This good neighbor meeting is being held to explain the potential rezoning and subdivision being considered by the developer, and to gather citizen comments regarding those actions. No Planning Commission or City Council action has been taken, but is anticipated within the next several months. Please note that this meeting is intended to notify interested parties early in the process and to help the developer understand neighborhood and community concerns, and formal public meetings will be held by the Planning Commission and City Council if the development applications proceed.
