

Recsters Summer Camp

2019

Dear Families,

Here is a brief explanation of some of the activities that are included in the 2017 summer activity schedule:

Rotations- During this time Recsters will rotate to four different activities during the week. The activities are cooking, craft, fitness, and science.

Age groups- During these times they will be divided into two groups based on their age and will participate in an activity.

Quiet Reading- Recsters will go to the Library at the beginning of each week and will be expected to check out books at their appropriate reading level to enjoy during our quiet reading time each day after lunch. We also have books available in the Recsters room, if needed.

Pool Time- We will be swimming around two hours a day at the Aquatic Center. Recsters should bring their swimsuits, towels, and sunscreen unless noted on the schedule. If needed, counselors will assist with putting on sunscreen. **It is required that each child has sunscreen on before they enter the pool.** We will reapply half-way through swimming time.

Field Trips- There will be one field trip scheduled each week. Please refer to the note section on the bottom of each page for any additional information.

Library program- We will be participating in the North Liberty Library Summer Reading Program usually held on Tuesdays.

Lunch & Snack- Recsters will need to bring a sack lunch every day to program unless noted otherwise. Recsters should also pack **TWO** snacks every day because we have snack in the morning and afternoon.

The schedule is subject to change due to unforeseen circumstances but we like to stick as close to the schedule as possible. We are all looking forward to having a great summer! If you have any questions or concerns feel free to contact us at any time!

Program Director

Matt Fielder

Head Counselors

Jake Binggeli

Mariah Rourke
