

Temporary Custody of Adults

900.1 PURPOSE AND SCOPE

This policy provides guidelines to address the health and safety of adults taken into temporary custody by members of the North Liberty Police Department for processing prior to being released or transferred to a housing or other type of facility.

Temporary custody of juveniles is addressed in the Temporary Custody of Juveniles Policy. Juveniles will not be permitted where adults in custody are being held (Iowa Code § 356.3).

Custodial searches are addressed in the Custodial Searches Policy.

900.1.1 DEFINITIONS

Definitions related to this policy include:

Holding cell/cell - Any locked enclosure for the custody of an adult or any other enclosure that prevents the occupants from being directly visually monitored at all times by a member of the Department. At this time, NLPD does not have a holding cell, but this policy will apply if we utilize another jurisdiction's cell at our request and we are responsible for monitoring the individual.

Safety checks - Direct, visual observation by a member of this department performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of adults in temporary custody.

Temporary custody - The period an adult is in custody at the North Liberty Police Department prior to being released or transported to a housing or other type of facility.

900.2 POLICY

The North Liberty Police Department is committed to releasing adults from temporary custody as soon as reasonably practicable, and to keeping adults safe while in temporary custody at the Department. Adults should be in temporary custody only for as long as reasonably necessary for investigation, processing, transfer or release.

900.3 GENERAL CRITERIA AND SUPERVISION

No adult should be in temporary custody for longer than six hours.

No adult should be kept in temporary custody for holding and processing for longer than two hours (201 IAC 51.1).

900.3.1 INDIVIDUALS WHO SHOULD NOT BE IN TEMPORARY CUSTODY

Individuals who exhibit certain behaviors or conditions should not be in temporary custody at the North Liberty Police Department, but should be transported to a jail facility, a medical facility or other type of facility as appropriate. These include:

- (a) Any individual who is unconscious or has been unconscious while being taken into custody or while being transported.

- (c) Any individual who is seriously injured.
- (d) Individuals who are a suspected suicide risk (see the Involuntary Commitments Policy).
 - 1. If the officer taking custody of an individual believes that he/she may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release or a transfer to an appropriate facility is completed.
- (e) Individuals who are obviously in crisis, as defined in the Crisis Intervention Incidents Policy.
- (f) Individuals who are under the influence of alcohol, a controlled substance or any substance to the degree that may require medical attention, or who have ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.
- (g) Any individual who has exhibited extremely violent or continuously violent behavior.
- (h) Any individual who has claimed, is known to be afflicted with or displays symptoms of any communicable disease that poses an unreasonable exposure risk.
- (i) Any individual with a prosthetic or orthopedic device where removal of the device would be injurious to his/her health or safety.

Officers taking custody of a person who exhibits any of the above conditions should notify a supervisor of the situation. These individuals should not be in temporary custody at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

900.3.2 SUPERVISION IN TEMPORARY CUSTODY

An authorized department member capable of supervising shall be present at all times when an individual is held in temporary custody. The member responsible for supervising should not have other duties that could unreasonably conflict with his/her supervision. Any individual in custody must be able to summon the supervising member if needed. If the person in custody is deaf or hard of hearing or cannot speak, accommodations shall be made to provide this ability (201 IAC 51.1).

At least one female department member should be present when a female adult is in temporary custody. In the event that none is readily available, the female in custody should be transported to another facility or released pursuant to another lawful process.

Absent exigent circumstances, such as a medical emergency or a violent subject, members should not enter the cell of a person of the opposite sex unless a member of the same sex as the person in custody member is present.

No individual in custody shall be permitted to supervise, control or exert any authority over other individuals in custody.

900.3.3 ENTRY RESTRICTIONS

Entry into any location where a person is held in custody should be restricted to:

- (a) Authorized members entering for official business purposes.
- (b) Emergency medical personnel when necessary.
- (c) Any other person authorized by the Shift Supervisor.

When practicable, more than one authorized member should be present for entry into a location where a person is held in custody for security purposes and to witness interactions.

900.4 INITIATING TEMPORARY CUSTODY

The officer responsible for an individual in temporary custody should evaluate the person for any apparent chronic illness, disability, vermin infestation, possible communicable disease or any other potential risk to the health or safety of the individual or others. The officer should specifically ask if the individual is contemplating suicide and evaluate him/her for obvious signs or indications of suicidal intent.

The receiving officer should ask the arresting officer if there is any statement, indication or evidence surrounding the individual's arrest and transportation that would indicate the individual is at risk for suicide or critical medical care. If there is any suspicion that the individual may be suicidal, he/she shall be transported to the City jail or the appropriate mental health facility.

The officer should promptly notify the Shift Supervisor of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Supervisor shall determine whether the individual will be placed in a cell, immediately released or transported to jail or another facility.

900.5 SAFETY, HEALTH AND OTHER PROVISIONS

Should a person in custody be injured or become ill, appropriate medical assistance should be sought. A supervisor shall meet with those providing medical aid at the facility to allow access to the person. Members shall comply with the opinion of medical personnel as to whether an individual in temporary custody should be transported to the hospital. If the person is transported while still in custody, he/she will be accompanied by an officer.

Subject to safety and security concerns, individuals shall be permitted to retain an orthopedic or prosthetic appliance. However, if the appliance presents a risk of bodily harm to any person or is a risk to the security of the facility, the appliance may be removed from the individual unless its removal would be injurious to his/her health or safety.

Whenever a prosthetic or orthopedic appliance is removed, the Shift Supervisor shall be promptly apprised of the reason. It shall be promptly returned when it reasonably appears that any risk no longer exists.

900.5.4 TELEPHONE CALLS

Every individual in temporary custody shall be allowed to make a reasonable number of completed telephone calls as soon as possible after arrival (Iowa Code § 804.20).

- (c) Calls between an individual in temporary custody and his/her attorney shall be deemed confidential and shall not be monitored, eavesdropped upon or recorded.

900.5.5 RELIGIOUS ACCOMMODATION

Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated. Requests for religious accommodation should generally be granted unless there is a compelling security or safety reason and denying the request is the least restrictive means available to ensure security or safety. The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Individuals wearing headscarves or other approved coverings shall not be required to remove them while in the presence of or while visible to the opposite sex if they so desire. Religious garments that substantially cover the individual's head and face may be temporarily removed during the taking of any photographs.

900.7 PERSONAL PROPERTY

The personal property of an individual in temporary custody should be removed, inventoried and processed as provided in the Custodial Searches Policy, unless the individual requests a different disposition. For example, an individual may request property (e.g., cash, car or house keys, medications) be released to another person. A request for the release of property to another person must be made in writing. Release of the property requires the recipient's signature on the appropriate form.

Upon release of an individual from temporary custody, his/her items of personal property shall be compared with the inventory, and he/she shall sign a receipt for the property's return. If the individual is transferred to another facility or court, the member transporting the individual is required to obtain the receiving person's signature as notice of receipt. The Department shall maintain a copy of the property receipt.

The Shift Supervisor shall be notified whenever an individual alleges that there is a shortage or discrepancy regarding his/her property. The Shift Supervisor shall attempt to prove or disprove the claim.

900.8 HOLDING CELLS

The North Liberty Police Department currently does not have a holding cell. However, if we utilize a neighboring agencies cell, then this section will apply. An inspection also should be conducted when he/she is released. Any damage noted to the cell should be photographed and documented.
