This pet licensing process is for pets living within the city limits of North Liberty, Iowa only. If you do not live in North Liberty, check with your local governing entity to find out if you need to license your pet under their jurisdiction.

In North Liberty, per Code of Ordinances Chapter 56 "Cat and Dog Licenses," all cats and dogs four months of age or older and living in North Liberty must be licensed. This should be done within 30 days after a cat or dog is first acquired or has moved to North Liberty.

If you need help making copies of documents required for licensing, then please bring originals into North Liberty City Hall (360 N Main St). City staff will be happy to assist you.

Please fill out one form per pet.

Pet licenses run on a calendar year (January 1 – December 31) schedule.

Licensing your pet with the City of North Liberty provides a safeguard for you in the event your pet goes missing. City staff uses this information as a tool to connect found pets back to their owners. You will receive a metallic tag with your pet's license number on it; this should be attached to the animal's collar.

COST PER PET LICENSE

Annual Jan - Dec		Pet License Fee	
North Liberty Resident?	Spayed or Neutered?	Initial	Renewal
Yes	Yes	\$25	\$0
	No	\$25	\$25

License fees are per pet, are non-refundable, and will not be pro-rated.

The license fee is waived for service dogs and for one spayed or neutered pet of a person 62 years old and older.

If the pet is spayed or neutered, then renewals are free for the life of the pet, so long as the pet's rabies certificate on file is current and the pet remains with the same owners in North Liberty, even if they move.

If the pet is rehomed to new owners, then a new application must be filled out and initial fee paid to cover administrative costs.

HOW TO RENEW A PET LICENSE

Pet License renewals will be handled by City Administration staff each January. If your pet is intact, you will be contacted about payment options when the tag is ready. If your pet is spayed/neutered and their rabies documentation is up-to-date, then your tag will be automatically mailed to you for free by January 31 of each year. If there is an issue with your pet's file (i.e., an expired proof of rabies vaccination), then staff will contact you by email or phone to request an update prior to mailing the renewal tag.

Just visited the veterinarian for a rabies vaccination? Ask their staff to email a copy of your pet's new rabies certificate to pets@northlibertyiowa.org.
